ELLER EXECUTIVE EDUCATION PRESENTS

Executives in Government

When

July 14 - 16, 2025

followed by the Arizona City/County Management Association Summer Conference

Where

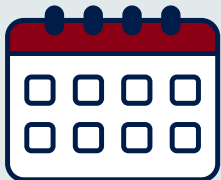

Tucson, Az

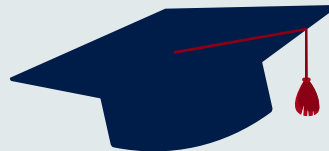

Enhance your ability as a senior leader to overcome complex challenges. Return to your team equipped with new insights to drive citizen-centric, data-driven, and performance-focused solutions. Through this program, you'll expand your perspective, strengthen your leadership, and grow your professional network.

The Executives in Government program has been designed by top ranked faculty in collaboration with Arizona City/County Management Association.

PROGRAM HIGHLIGHTS

2 days of learning and peer interaction created specifically for executives in government.

Invest in your own professional development and earn a certificate upon completion.

20 hours of leadership development with engaging, experiential, and social learning.

Who Should Attend?

- Senior city, state leaders, GS-14/GS-15 federal employees and their international, non-profit, multi-lateral and military counterparts
- Elected and appointed officials, including mayors, state senators and representatives, secretaries of state, attorneys general, treasurers, comptrollers, and auditors
- Chiefs: police, fire, EMS, and health departments
- Deputies, chief financial officers, city managers, higher education officials, and more
