

ELLER EXECUTIVE EDUCATION PRESENTS

Government Leadership Excellence

Enhance Your Ability to Lead in the Public Sector

WHEN

Sept. 23 - 26, 2025

For over 25 years, the **Government Leadership Excellence (GLE) program** has inspired public leaders to change, grow, and drive progress.

WHERE

Andrew Weil Center
for Integrative
Medicine

Go beyond basic leadership principles and discover innovative ideas to shape the future of your community from the inside out. This program is delivered by top ranked Eller faculty and public sector experts.

PREPARE TO LEAD

As the impacts of AI and demands for societal change challenge the local and global economy, government leaders have never faced a more difficult environment. GLE provides a rich learning opportunity to help you discover how to lead and guide teams through these complex issues.

Attendees will engage with other talented government and nonprofit leaders, and each module will include collaborative learning activities. Join us as we explore discovering the leader within, effective decision-making, and much more.
