

ELLER EXECUTIVE EDUCATION PRESENTS

Executives in Government

An Interactive Learning Experience for Government Leaders

WHEN

July 14-16, 2025

WHERE

Tucson, AZ

The **Executives in Government** program has been designed by top ranked faculty in collaboration with **Arizona City/County Management Association**.

Enhance your ability as a senior leader to overcome complex challenges. Return to your team equipped with new insights to drive citizen-centric, data-driven, and performance-focused solutions. Through this program, you'll expand your perspective, strengthen your leadership, and grow your professional network.

“I am thankful to all for their extraordinary ways of helping me shift my thinking, my approach to problems, and preparing me to lead for change.”

A. Salim, 2024 Executives in Government participant
